***This FREE class will be given by Jack Burns, Public Affairs Specialist from Social Security to help answer questions such as:***

- What are the requirements to receive the benefits?
- What are some different filing options I have?
- What resources/tools can help me decide when to file?
- Can I work and get benefits at the same time?
- Can other family members get benefits if I file?
- How is my benefit calculated (what years are used)?
- How does Medicare fit into my Retirement benefits?
- How can I create a personal **my Social Security** account to see my earnings history and benefit estimates?
